MOBILE PHONE PERMISSION NOTE

July 26, 2011

Dear Parents / Caregivers,

As part of our mobile phone policy all students bringing a mobile phone into Croydon Public School must have a signed permission note from their parents. Students must turn the mobile phone off when they enter the school grounds and only turn it back on after the 3pm bell at the end of the school day.

If your child will be bringing a mobile phone to school please complete the permission note below and give it to your child's class teacher.

Regards

Greg Lee
Principal

I give permission for my child in class
to bring a mobile phone into Croydon Public School.

I have read the school policy and I fully understand the consequences if my child misuses the phone at school.
