ACTION TEAM EXPRESSION OF INTEREST

The role of the Action Team is to drive and manage KidsMatter. The Team will work within the KidsMatter framework to implement a coherent and whole school approach that is tailored to the individual needs of the school. To be most influential, the membership needs to be representative of the school community by including teachers and parents or caregivers representing students and cultures across the school. The Action Team will meet at least twice a term. The implementation of the KidsMatter initiative is anticipated to take 2-3 years.
