PRINCIPAL'S MESSAGE

In line with the Department of Education's Uniform Policy we will be including long pants for girls as part of our school uniform. This will provide girls with an alternative to the winter dress. The dress will continue to be part of the uniform but now the girls will have a choice about what they wear particularly in the winter months. At this week's P&C meeting we will be discussing a change to the polo shirts for all students. If you are interested

in being part of this discussion please come along to the meeting on **Wednesday 12 September** at **7.30pm** in the staff room.

In Term 4 Mr Ben Colmer, our new Deputy Principal, will be starting at Croydon. Ben brings to the position a wealth of experience across a number of schools including managing a building project at his current school. I know he is looking forward to starting at Croydon and I'm sure the school community will give him a warm welcome. I would like to thank Ms Lux Senthil, who took on the relieving DP role at short notice, for the stellar job she has done over the last three terms.

Mrs Valerie Antoniadis has been seconded into a network role as Assistant Principal Learning and Support over the past few weeks and we have just learnt that Val has been asked to continue in this role until the end of the year. This a great opportunity for Val to extend her knowledge and skills as well as supporting students across a number of schools. Ms Maria Karakatsis will be taking leave from the end of this term before the birth of her second child. We wish her all the best and look forward to meeting the new addition to her family. Mr Mitchell Casey will be working fulltime on 4K from the beginning of Term 4.

I will be taking leave from the **18 September** to travel to Canada to visit schools in Ontario. Ontario is now seen as an education "hot spot" so I'm very interested to learn from my colleagues in Canada. For the last ten days of the term Ms Senthil will step into the Relieving Principal position and Mr Colmer will take on the relieving role for the first four days of Term 4.

Ms Lucantonio

POSITIVE BEHAVIOUR FOR LEARNING

The Positive Behaviour for Learning focus for this last week and this week is being a respectful learner in the toilets and in the office. Ask your child how they will be respectful learners at school this week.

For more information about Positive Behaviour for Learning and our award system please see the school website. On our PBL site you will find a matrix that you can use at home to reinforce the school expectations.

KINDERGARTEN 2019

We are currently enrolling students for the **2019** Kindergarten intake. If you live in the local area and have a child starting school next year, please visit the office to collect enrolment papers and enrol your child. If you have a friend or relative with a child starting school next year, please encourage them to enrol their child as soon as possible.

We will be holding our annual Kindergarten Orientation program from **9.00-11.00am** on **Monday 22 October, Monday 29 October** and **Monday 5 November**.

SPEECH PATHOLOGY PROGRAM

See the end of this newsletter for a handy tip from our Croydon Public School speech therapist, Elizabeth Ware. This tip gives you some great ideas about how to improve your child's memory, as well as their descriptive language and their ability to visualise what the other person is saying in order to apply it to an item or person, or to win a game.

NOTES

Please be aware that some student accounts are sitting in credit (Fees in Advance). Last week a letter was sent home via students advising parents/carers of the amounts in credit. We asked that for those parents/carers to contact the office regarding their statements. As yet we have not heard from anyone so therefore we will be allocating any credit to outstanding activities (not including voluntary fees unless advised to do so). If there are no outstanding fees and you are in credit please do not pay for any future activities, however you will need to sign future permission notes which should then be placed in the fees box

outside the office. The office staff will advise you of any credit used to reconcile outstanding payments. If you have any questions regarding accounts in credit please contact the office staff as soon as possible.

PUBLIC SPEAKING COMPETITION

This term, students from K-6 have had the opportunity to develop a speech for the Ultimo Operational Directorate Primary Schools Public Speaking Competition. Stage finals have been held and students were judged on the content of their speeches, their delivery and ability to give an impromptu speech.

All speakers displayed terrific confidence in their presentation skills and developed quality content in their speeches. Congratulations to our winners, Madelyn Choi (Kindergarten), Luciana Pontello (Year 1), Luca Hall (Year 2), Sophia Condren (Stage 2) and Matilda Banfield (Stage 3) and good luck to the students who will represent our school at the local final on **13 September** at Campsie Public School.

Please note, the K-2 public speaking certificates will be handed out in the Week 8 K-2 assembly, **Tuesday 11 September**.

TELL THEM FROM ME SURVEY

We would like to invite you to participate in the Tell Them From Me Parent Survey to assist us with our school planning.

The Tell Them From Me Parent Survey is anonymous, voluntary, and easy-to-use. It is based on a comprehensive questionnaire covering parents' perceptions of their child's experiences at home and at school. Insights into parent and staff communication, activities and practices at home, and parent voice on the school's support of learning and behaviour all build an accurate and timely picture that our school can use for practical improvements.

If you have more than one child at Croydon Public School, we recommend that you complete the survey with only one child in mind. However, if you feel the school experiences of your children differ, you are welcome to complete one survey for each child.

To access the Tell Them From Me Parent Survey, please visit the following link using password **b6t2j**
<https://nsw.tellthemfromme.com/b6t2j>

This survey window is open from **Tuesday 28 August - Friday 26 October**.

Come on down, stop on by, hop a carpet and fly, to another Arabian night

We currently have these illustrations on display in the library and all the books are racing off the shelf!

Belinda has written more than 30 books including The Sun Sword trilogy, 13 books in the popular Lulu Bell series and her award-winning timeslip novels. Serena is an International book illustrator with over forty titles published in Australia and overseas ranging from board books to picture books and junior novels. CHESS

In our very first chess team competition, 3 girls, Angelina Chen, Mia Yan and Betty Nguyen were chosen to represent Croydon Public School at the 2018 Girls Chess Team Challenge.

There were 20 different schools from all over Sydney, with some schools having multiple teams. The girls knew it would be challenging but nevertheless faced it with enthusiasm and perseverance. They met new people who share the same passion about chess as themselves and thoroughly enjoyed themselves. Though Croydon were unsuccessful at proceeding through to the next round, the 3 girls should be commended for displaying the school expectations of respect and resilience.

Great effort Angelina Chen, Mia Yan and Betty Nguyen!

VOLUNTEERING AT SCHOOL

Teachers greatly appreciate and highly value parent helpers in the classroom. Parent volunteering helps aid the smooth running of various programs in the classrooms. If you are interested in helping out in your child's classroom please contact your child's teacher.

It is now a requirement of the Department of Education that you complete a *Declaration for Volunteers and Non Child Related Contractors* prior to coming to help. These declarations are available at the front office, toward the end of this newsletter and on our website. After filling out the declaration, you will need to submit 100 points of ID to the office. If you have a current *Working With Children Check for Volunteers* you will not need to fill out a declaration form.

YEAR 6 FUNDRAISING – ENTERTAINMENT BOOK

Once again our Year 6 classes are fundraising for their end of year gift and graduation by selling *The Entertainment Book*. Order forms will be sent out to all families this week. Please support our Year 6 students by purchasing one as soon as possible, the earlier you purchase the more time you have to use it!

If you purchase an Entertainment Book it will be sent home with your child. When ordering please order online using the Entertainment Book link: <http://www.entbook.com.au/20147x6>

Or, if sending money to school **please hand it to your child's class teacher.**

Payments **cannot** be made through the fees box or the school's online payment system. Refunds cannot be given for money paid online through the school's online payment system.

You may purchase multiple books, books for different areas and digital memberships.

There is a sample copy of the Entertainment book in the office if people wish to view before buying.

If you have any questions please see Miss Sutton in 6S.

UNIFORM SHOP

If you are planning a trip to the uniform shop next week, you will find a volunteer to help you. They may be hidden behind a pile of boxes as our orders have started to arrive from our reliable suppliers. This means we will be all stocked up for our busiest time of the year.

We have a lot of second hand stock available too. If you have a child starting kindergarten next year, or are in need of more summer uniforms for next term, and are unsure of sizes, then bring your child/children in for a fitting. FlexiSchools orders are

then even easier for you to use as you will know you have the correct size.

More Volunteers PLEASE!!! It would be great to see you soon. If helping out in the shop is something you could do, please contact Irene or go and see her at the shop.

Call Irene for more details or any enquiries.

On the weekend with your child play “Guess who/what I am”

How?

Start by making some cards with items/people on them (your child may like to help as well!). Keep the pile turned over so other players can't see the pictures. Each player will pick a card and think of how to describe it. Players will take turns giving a clue that describes their picture, e.g. “It is blue in colour”, until someone guesses their item/person. Players will need to remember clues given by other people while still describing their own card.

Why?

This will help to improve their memory, as well as their descriptive language and their ability to visualise what the other person is saying in order to apply it to an item or person, to win.

What do I look for?

Make sure that each player gives a range of descriptive clues when it is their turn. Before the game begins, jot down different TYPES of clues that players can give, e.g. “colour”, “age”, “starts with the letter...”.

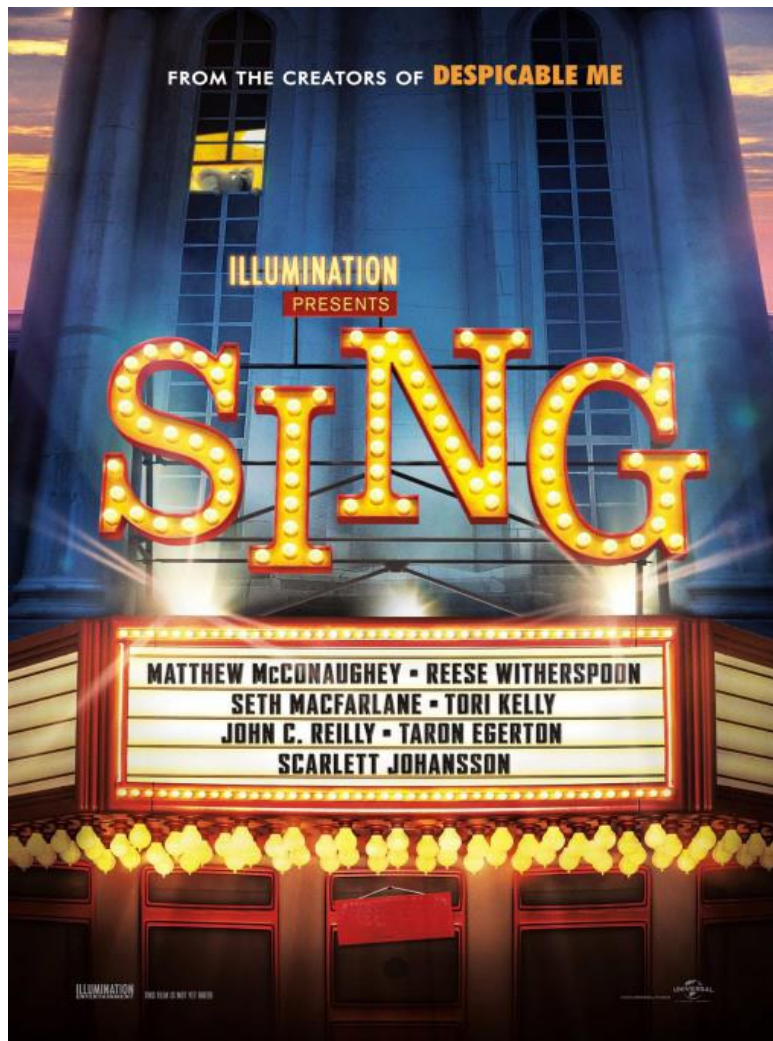

How do I make it harder?

If you are playing with multiple people, you can play in teams. The team that gets the most words will get a point and those who win the most points at the end wins! This will make it trickier because players will have to remember lots of clues for every team that they are playing against.

Have a great
weekend!

Appendix 5 – Declaration for volunteers and non child related contractors

This declaration must be completed by **volunteers** and non-child related **contractors** seeking engagement with the Department of Education (the department) where the person is exempt under the [*Child Protection \(Working with Children\) Regulation 2013*](#) from having to hold a Working with Children Check clearance. See the department's [*Working with Children Check Procedures*](#) for more details.

This declaration does not apply to volunteers who are

- Working as part of a formal mentoring program (whether or not a parent or close relative at the school at which they are volunteering) or
- Involved in intimate, personal care of children with a disability (whether or not a parent or close relative at the school at which they are volunteering) or
- Not a parent or close relative of a student at the school at which they are volunteering

This declaration does not apply to contractors who are

- Ordinarily involved in direct contact with children for extended periods (for e.g. Speech Pathologists, health workers, band tutors, music tutors)

Those workers **listed above** need to provide the school with Appendix 11, a WWCC clearance and 100 points of ID in order that they can be verified via eCPC.

This declaration DOES apply to volunteers who are:

Parents or close relatives who volunteer at their child's school. This includes day to day reading helpers, canteen helpers etc., who are a parent or close relative to a child at the school at which they are volunteering. These workers **DO NOT** need a WWCC number and **should not** be asked to provide one. These parents should complete this Appendix and provide the school with 100 points of ID. This information should be used to conduct a person search via eCPC. These people **should not** be established on eCPC.

This declaration DOES apply to contractors who are:

Hired by the school or P&C to perform maintenance services or other additional services, however the work will not ordinarily involve contact with children for extended periods (for e.g. tree lopping, electrical testing, and annual maintenance of fire extinguishers). These contractors should complete this Appendix and provide the school with 100 points of

ID. This information should be used to conduct a person search via eCPC. These people **should not** be established on eCPC.

Note: Contractors working in the Assisted School Travel Program and contractors employed through the department's maintenance program are not required to undergo any school based screening.
