PRINCIPAL'S MESSAGE

The Croydon Public Markets were a great success yesterday. It was a fine day, there were lots of activities for the kids, good food and an array of stalls to peruse. Behind the scenes an army of parent volunteers set up and manned the stalls and thanks must go to all those who gave of their own time to support the school. We cannot run large events without the help of so many people. The P&C Social and Fundraising committee were working very hard in the lead up to the day and I thank them for the time and effort they put in to make the event such a success.

We are currently organising for the start of the 2019 school year. To form our classes it is important that we have a clear indication of whether families will be returning next year. If you have not filled out the note that was sent home two weeks ago it would be greatly appreciated if it could be completed and returned to the class teacher as soon as possible. It is our priority to have new classes starting as soon as possible in the new year.

On Wednesday 12 December at 6.30pm, prior to the P&C meeting, a community information session will be held to provide parents and carers with information regarding the building project which will begin in 2019. Representatives from MACE, the project management group, and School Infrastructure NSW will present an overview of the project and be available to answer any questions. This is a good opportunity for parents to gain a better understanding of the changes the school will undergo.

There are many events coming up in the next few weeks so please check dates for end of year activities and return any notes and payments by the closing dates.

Ms Lucantonio

POSITIVE BEHAVIOUR FOR LEARNING

The Positive Behaviour for Learning focus for last week and this week is being **RESPECTFUL** during

assembly/in the hall and in online spaces. Ask your child how they will be safe at school this week.

For more information about Positive Behaviour for Learning and our award system please see the school website. On our PBL site you will find a matrix that you can use at home to reinforce the school expectations.

KENNETH'S COMMUNITY LANGUAGE SUCCESS

On the 2nd of November, I got the Minister's Award for Community Languages. I received an award for Chinese language because I was voted the most valuable in the Chinese School.

The traditional costume I wore was a golden one and it was in the style of the Emporer. The jade on the dress means power and strength. I was excited and happy about achieving the award.

USE OF PLAYGROUND EQUIPMENT BEFORE AND AFTER SCHOOL

At Croydon Public School, we are lucky to have generous playground space and fixed play equipment which our students can use during the school day. On occasion, families may choose to use this space to socialise with family and friends after school. There are some important safety guidelines that must be strictly adhered to if you

are using the playground and/or play equipment outside of school hours.

- Families are able to use the fixed equipment after school **between 3pm and 3:45pm**. After this time, we ask that you leave the school grounds.
- Children are only to be on the school site if parents or carers are present and **actively supervising their children**. No child should remain in the playground without parent/carers supervision. They should proceed directly home or as per their afternoon care arrangements.
- New climbing equipment – please ensure that when using the frame, **children's feet are no higher than the (yellow) neon tape** that has been applied to the climbing frame. This is a safety precaution that has been implemented by the school, which should be strictly followed by parents supervising their children before or after school.

- The same PBL rules which apply during the school day, also apply outside of school hours when on the school site. **Riding scooters inside the school and climbing trees is prohibited** inside the school grounds and should be enforced by parents and carers to ensure that all children are 'Being Safe'.
- Whenever it is raining, or has recently been raining, all fixed equipment is out of bounds both during the school day and outside of school hours. Please **do not allow your child to use the equipment if it is wet**, as this is

when some of the most serious slips, trips and falls can occur.

SPEECH PATHOLOGY PROGRAM

See the end of this newsletter for a handy tip from our Croydon Public School speech therapist, Elizabeth Ware. This tip gives you some great ideas about how to help your child develop and improve their writing skills and help them with their descriptive language.

KINDERGARTEN 2019

We are currently enrolling students for the **2019** Kindergarten intake. If you live in the local area and have a child starting school next year, please visit the office to collect enrolment papers and enrol your child. If you have a friend or relative with a child starting school next year, please encourage them to enrol their child as soon as possible.

NOTES

Please be aware that some student accounts are sitting in credit (Fees in Advance). Last term, a letter was sent home via students advising parents/carers of the amounts in credit. We asked that those parents/carers contact the office regarding their statements. As yet we have not heard from anyone so therefore we will be allocating any credit to outstanding activities (not including voluntary fees unless advised to do so). If there are no outstanding fees and you are in credit please do not pay for any future activities, however you will need to sign future permission

notes which should then be placed in the fees box outside the office. The office staff will advise you of any credit used to reconcile outstanding payments. If you have any questions regarding accounts in credit please contact the office staff as soon as possible.

EPI-PENS AND MEDICAL UPDATE

If your child carries a personal Epi-Pen, please check the expiry date to ensure the Epi-Pen is current.

If your child's medical needs have changed, please provide written documentation to the front office as soon as possible.

They have been working exceptionally hard to fine tune their vocal performances, learning a range of songs that showcase their ability to sing together beautifully as a choir. We wish them all the best!

VOLUNTEERING AT SCHOOL

Teachers greatly appreciate and highly value parent helpers in the classroom. Parent volunteering helps aid the smooth running of various programs in the classrooms. If you are interested in helping out in your child's classroom please contact your child's teacher.

It is now a requirement of the Department of Education that you complete a *Declaration for Volunteers and Non Child Related Contractors* prior to coming to help. These declarations are available at the front office, toward the end of this newsletter and on our website. After filling out the declaration, you will need to submit 100 points of ID to the office. If you have a current *Working With Children Check for Volunteers* you will not need to fill out a declaration form.

P&C NEWS

What a great day we had yesterday at the CROYDON PUBLIC MARKET!!!! We were so lucky with the weather. We hope you and your families enjoyed this fantastic community event. This event would not have been possible without the tireless work from a committed team of parents. I would especially like to thank the Social & Fund Raising Committee for putting together such a wonderful event.

There are so many other parents and carers to thank too and I won't attempt to name everyone at the risk of forgetting someone! However, a very special thank you to our parent food stall coordinators who served up some delicious meals. To the CPS bakers – you did us proud yet again! To all the parent and carer and staff volunteers – THANK YOU! We really couldn't have run the event without your help and support. It's events

like these that prove the Croydon Public School community spirit is alive and well!

Please save the date for the **CPS P&C Volunteers' End of Year Dinner** to be held on **Thursday 6th December** at The Retreat Garden Bistro Croydon. Hope you can all make it to celebrate another wonderful year of volunteering! Make sure you RSVP to Diana in the canteen. Thank you to the Canteen Committee for organising this annual dinner for all P&C volunteers.

The final **P&C meeting** for the year is **Wednesday 12th December**, 7pm for refreshments with meeting start at 730pm. The **Annual General Meeting** will also be held on this date, so make sure you join us to be part of the action!

On the weekend with your child Play 'Licence Letters'

How?

When in the car, choose a number plate in front of you and say the 3 letters to your children. Their role is to think of 3 words starting with those letters.

Why?

This will help your child's knowledge of letters and sounds in words develop.

What do I look for?

The ability to remember the 3 letters and the speed in which they come up with words.

How can I make this harder?

- The words they say must be more than 3 letters
- The words need to flow together for example: TRN = "The Rat Nibbled" rather than "Table Rat Nut"
- You have to make your sentence before the car is out of sight

*Have a great
weekend!

Appendix 5 – Declaration for volunteers and non child related contractors

This declaration must be completed by **volunteers** and non-child related **contractors** seeking engagement with the Department of Education (the department) where the person is exempt under the [*Child Protection \(Working with Children\) Regulation 2013*](#) from having to hold a Working with Children Check clearance. See the department's [*Working with Children Check Procedures*](#) for more details.

This declaration does not apply to volunteers who are

- Working as part of a formal mentoring program (whether or not a parent or close relative at the school at which they are volunteering) or
- Involved in intimate, personal care of children with a disability (whether or not a parent or close relative at the school at which they are volunteering) or
- Not a parent or close relative of a student at the school at which they are volunteering

This declaration does not apply to contractors who are

- Ordinarily involved in direct contact with children for extended periods (for e.g. Speech Pathologists, health workers, band tutors, music tutors)

Those workers **listed above** need to provide the school with Appendix 11, a WWCC clearance and 100 points of ID in order that they can be verified via eCPC.

This declaration DOES apply to volunteers who are:

Parents or close relatives who volunteer at their child's school. This includes day to day reading helpers, canteen helpers etc., who are a parent or close relative to a child at the school at which they are volunteering. These workers **DO NOT** need a WWCC number and **should not** be asked to provide one. These parents should complete this Appendix and provide the school with 100 points of ID. This information should be used to conduct a person search via eCPC. These people **should not** be established on eCPC.

This declaration DOES apply to contractors who are:

Hired by the school or P&C to perform maintenance services or other additional services, however the work will not ordinarily involve contact with children for extended periods (for e.g. tree lopping, electrical testing, and annual maintenance of fire extinguishers). These contractors should complete this Appendix and provide the school with 100 points of

ID. This information should be used to conduct a person search via eCPC. These people **should not** be established on eCPC.

Note: Contractors working in the Assisted School Travel Program and contractors employed through the department's maintenance program are not required to undergo any school based screening.
